Dear Members and Friends of St. Peter,

As campaign co-chairs for St. Peter's Capital Stewardship Program, we are pleased to announce the beginning of our **Gather+Grow+Glorify - Nurturing God's Mission** Campaign. Our campaign's objective is to free up resources for future ministry objectives. These objectives *potentially* are in the areas of ministry staff, upgrade of our existing facility including technology needs that will help us better share God's love with those in our community. God's mission is growing inside our church and school. He has entrusted each of us the responsibility to nurture His mission. God has freely given each of us many gifts and talents so that we may share our gifts to further His mission of making disciples of all nations. To achieve our goal of releasing resources for the potential ministry possibilities identified, the first essential step we need to take as a congregation is retiring our current debt.

Several Sundays ago our congregation voted to hire The Enrichment Group, professional consultants. They will guide us in our vision of further nurturing God's mission. The Enrichment Group has lead hundreds of successful church campaigns. Our consultant from The Enrichment Group is Rev. Luke Bouman. He brings the experience, expertise, and effectiveness to lead us to the successful conclusion of our campaign. His leadership is devoted to inspire, inform, involve, and invite each member to commit to the campaign service and support.

The campaign emphasis will focus on biblical stewardship to encourage Christian growth and commitment. The process will provide many opportunities for you to become involved through Bible study, a prayer vigil, enrichment gatherings, a celebration banquet, and other activities. We need your help to be successful. Please give prayerful consideration to helping in the campaign. God has a place for each of us, and so does this campaign.

In the next few months you will be receiving four campaign newsletters. They will give you the full details of how we will expand our ministry through the **Gather+Grow+Glorify - Nurturing God's Mission** Campaign. Watch for special articles and announcements in *The Messenger*, *Keynotes*, Facebook, and our church website (www.stpeternorthjudson.org).

This is an exciting time to be a part of the St. Peter family. We look forward to working in partnership with you.

In Christ,
